**ARCHITECTURE ARCHAEOLOGY AND
CONTEMPORARY CITY PLANNING**

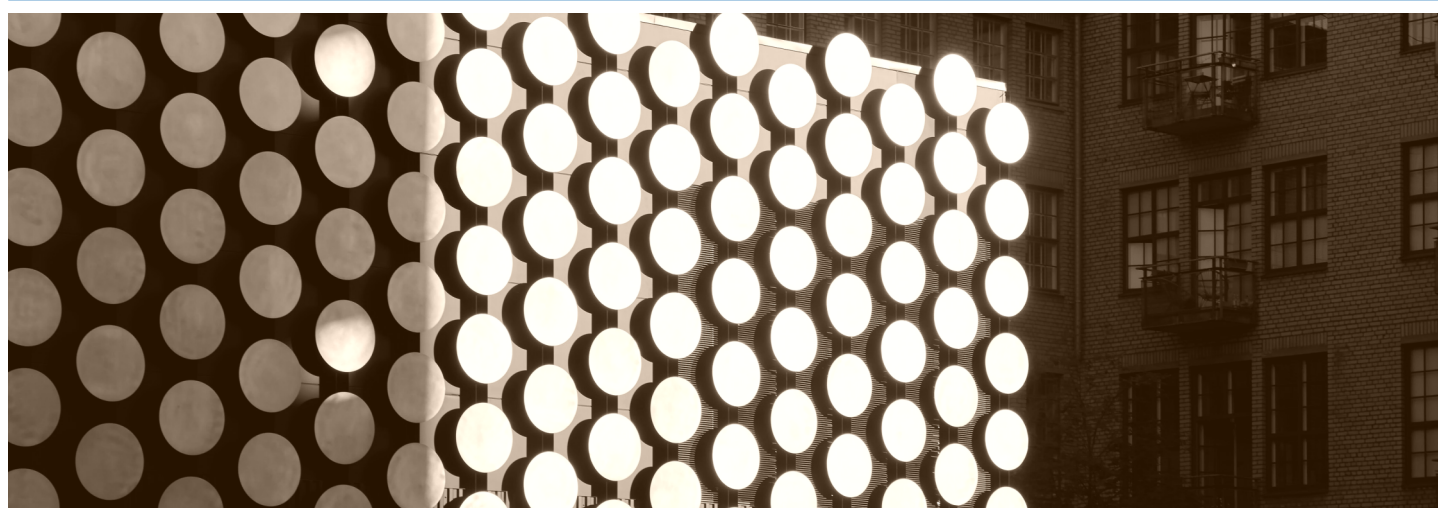

Exploring Urban Fabric – Variable Boundaries and Value Assessment

How do these boundaries shape our perceptions of urban spaces and histories? In what ways do urban policies and planning practices reinforce or challenge these demarcations? And how can a deeper understanding of urban borders contribute to more inclusive and sustainable urban futures?

**University of Helsinki
Fabianinkatu 26, 00014 Helsinki, Finland**

**The Symposium is coordinated by: Liisa Seppänen, Per Cornell,
Giorgio Verdiani, Hannele Kuitunen, Laura Hesso**

Lectures by: Per Cornell, Giorgio Verdiani, Liisa Seppänen, and others
(coming soon).
